Mixin' it Up at FUSION

At the beginning of the school year, Sodexo received feedback from students and faculty asking us to add some variety to Fusion. In October, we surveyed students and faculty to determine what dishes or cuisines they wanted. We tallied the results and have now begun featuring different menus several times each week.

What did we find? This month's menus include Mexican, Greek, Cajun, Sizzlin' Salads, Stuff-a-Pocket, Pasta Pronto, and

Korean.

Coming in March, we will introduce a series of Thai & Vietnamese dishes from celebrity chef Mai Pham. Pham owns the Lemon Grass restaurant in Sacramento, California and partnered with Sodexo to create a campus dining series of her signature recipes. Look for more information on these events in the coming weeks.

February is American Heart Month

According to the Center for Disease Control, heart disease is the number one killer of Americans. In fact, about every 25 seconds, an American will have a coronary event. Each February, in partnership with the American Heart Association, the United States Congress declares February as American Heart Month. In support of this movement, UE Dining has will host the Happy Heart Health Fair on February 26.

As part of our promotional series "Food for Love-Love for Food," we are hosting the Happy Heart Health Fair during lunch. The fair will feature heart healthy options at each station along with information booths, games,

and prizes. Watch www.uedining.com and AceNotes for more information about this event.

For more on the American Heart Association, and ways to prevent heart disease, visit www.americanheart.org or www.cdc.gov/features/heartmonth/.
