

New Tastes & Old Favorites Back at Jazzman's for Fall

Fall on campus brings dropping temperatures, foliage changing colors and jackets. Students settle into classes all while looking forward to fall break. Another thing they look forward to? Pumpkin flavors at Jazzman's!

This year, pumpkin smoothies and pumpkin chai lattes return to the menu for a limited time only. New this year are Apple cinnamon Crème Brulee coffee and pumpkin cupcakes. These items will all hit the menu on October 3.

In addition to the fall favorites, several new items have already debuted at Jazzman's this semester. There are three new coffee drinks: the Caramel Delight, the Crème Brulee, and the Tuxedo, each available hot, iced, or frozen. The Cara-

mel Delight latte combines the sweet tastes of hazelnut, vanilla, and caramel. The Crème Brulee latte is flavored with white chocolate and vanilla, and the Tuxedo contains both white and dark chocolate sauce.

For those looking for something other than coffee, check out the new Matcha Green Tea Lattes. Matcha Green Tea is harvested in Japan and ground before brewing. Jazzman's Matcha is sweetened with cane juice and has a refreshing green tea taste. Try it as a latte with milk hot or over ice.
